

WINTER SEKT RHEINHESSEN PURE BRUT NATURE 10/18 0

This breathtaking sparkling wine proves that Germany can reach the very pinnacle of this field. Incredibly complex nose of candied citrus, smoke and ancient apple varieties. Then comes the enormously concentrated palate, where the super-mineral acidity gives it a primordial energy. The finish is a kaleidoscopic image of saltiness and leesy complexity. A blend based on chardonnay with a small amount of pinot noir, with vintages from 2008 to 2015. Many of the wines matured in 500-liter wooden casks. Limited production. Bottled in October 2018 and disgorged in June 2022. From organically grown grapes. Drink or hold.
